

Dear Alumni, Parishioners, Parents and Friends of St. John the Baptist School,

When you think of St. John's School, the first word that might come to mind may be **Tradition.**

Beginning with Mrs. Laura Militello, 3rd grade teacher during the 1960s and 1970s, 13 members of her Militello, Bonasera, Mergl . Richey and Then families are part of the St. John's school community. They include alums, a teacher, staff members, former and current students who embody the Legacy that the St. John's school represents.

In 1931, St. John Neumann envisioned the development of a school that would spiritually, academically and socially enhance the lives of children in our community. And what a history of faith and growth! This family story is just one of many which have been told over the last 90-plus years, which reflects the uniqueness of this wonderful faith community.

Today, we ask you to help continue our journey by supporting our **Annual Appeal.** We have been blessed by so many of you who continue to move our mission forward with your financial donations. We are proud of the successes of our students who have gone onto high schools and colleges whose goals have been enriched by a St. John's education.

The loyalty and generosity of our dedicated benefactors, alumni and friends has sustained our Legacy. Thank you in advance for supporting our efforts to assist children experience the blessings of a well-rounded Catholic education at St. John's School.

May God bring success to the work of our hands and hearts.

Yours in Christ,

Rev. Michael Parker
