

Annual Appeal 2024

Dear Alumni, Parents, Parishioners, and Friends of St. John the Baptist School,

Faith, academic excellence, and family have been the cornerstone of the St. John the Baptist School experience since our school was founded nearly 100 years ago. In 1931, parish leaders envisioned the development of a school that would spiritually, academically, and socially enhance the lives of children in the community. And what a history it has been!

One example is the 13 members of the Militello, Bonasera, Mergl, Richey, and Then families. They include graduates, a faculty member, and current students who embody the family tradition that St. John the Baptist School represents. Their story is one of countless others that have been written, reflecting the uniqueness of this wonderful faith and school community.

Today, we ask you to consider helping us continue our journey by supporting our Annual Appeal. We have been blessed by the generosity of so many of you who help us advance our mission to foster curiosity, creativity, and a general love of education in an atmosphere that nurtures students as individuals who are unique, respected, and cherished. This has led to generations of St. John the Baptist School students who have thrived in high school, colleges, and universities. Today they are leaders in our community in large part due to the foundation that was laid for them by St. John's.

The loyalty and generosity of our dedicated benefactors, alumni, and friends have sustained our legacy. Thank you for supporting our efforts to assist St. John the Baptist students experience the blessings of a well-rounded Catholic education.

May God bring success to the work of our hands, hearts, and minds.

Yours in Christ,

A handwritten signature in blue ink that reads 'Michael Parker'.

Rev. Michael Parker
Pastor
